Air Care, Breathe Easy

ESSENTIAL OIL 101

As the weather cools we tend to spend more time inside, or if you work from home. Make sure to purify your space and air at home! Using a diffuser is an easy way to use different essential oils, just add water and a few drops of your favorite oils.

SERVICE HIGHLIGHTS

Facials are Back! - Yakima

HEALTHY SKIN IS HAPPY SKIN

Our spa and salon can once again perform facial services! With the changing seasons, frustrating mask acne, and back-to-school stress... we all need a little extra help with our skin. Book an appointment for your next facial or hydra facial today!

Farmhouse Fresh Pedicure of the Month - Tri-Cities

MOOD - CRAVING SOMETHING SWEET

A cranberry-orange, vitamin E-rich soak for hands and feet is only fitting under a harvest moon! After skin is softened from your soak, the honey sea salt scrub clears away rough patches!

Next, a pumpkin puree mask treats your skin to vitamins A,C, and E for ultimate nourishment. Finished with a hydrating Juniper Ale body oil to seal in moisture. Call us at (509) 940-2SPA and book your appointment today to kick off the fall season!
